Course overview

Leadership is a significant part of the answer to whatever challenges organizations may face. Being an effective leader involves much more than just getting things done. It involves getting the right things done by developing and managing motivated, high- performing teams.

Course objective

- Understand the five practices of the world's greatest leaders
- Create a clear and compelling vision of the future
- Become a leader who empowers your team and brings out their best
- Learn how to organize and manage your priorities so that big things control little things
- Creative vision and goal sitting
- Recognize leadership qualities inside yourself

Who should attend?

This program is designed for team leaders and other business professionals responsible for developing and leading high performance teams and who desire to enhance their empowering leadership and management skills.
